Pops had so many friends, kids and babies that passed through his life and home. You all know who you are. If we tried to list you all, we would run out of space. Pops took care and fed so many of you, even if you weren't hungry, but loved every minute of it. If one needed somewhere to stay, needless to say, Uncle Gordon and Auntie Ehu always had room for one more.

He generously devoted his life to others and today is indeed a celebration of his life.
